SEMINAR ON 'RESEARCH PUBLICATION AND PATENT'
REPORT 2017-18**

Date: 16/01/2018

Time: - 11.30 AM to 1.30 PM

Organized by: Start-up and IPR cell (D.C.P.E., H.V.P.M. Amravati)

ABOUT IPR CELL

Start-up and IPR cell of D.C.P.E. is in its nascent stage. There is no doubt that prevailing environment in the education sector or any sector for that matter necessitates the need to focus on research and innovation. The speed at which innovations are taking place in the society makes it imperative for all the education institutions to adopt research based system in every aspect of their operations. Moreover research should be at the core of all curriculums in order to survive in today's fast paced environment. Keeping in view the above aspects, D.C.P.E. is in the process of constituting its IPR Cell. The objective IPR Cell is_

1. To educate everyone (students and faculties alike) about the developments taking place in the research and innovation fields
2. To provide infrastructure and financial support to researchers
3. To provide assistance in patent registration and commercialization of research thereof.

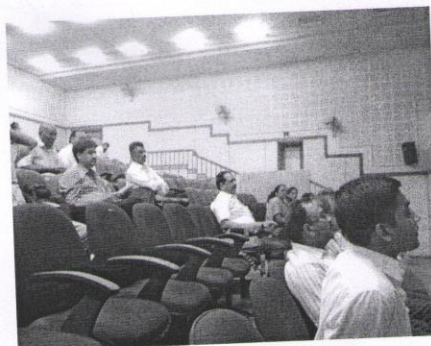

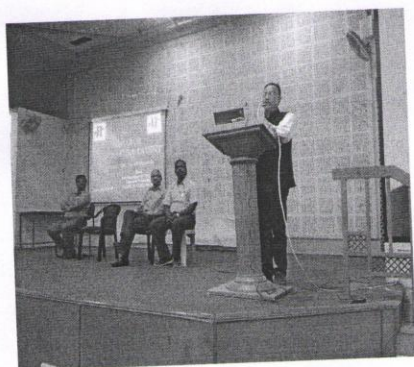

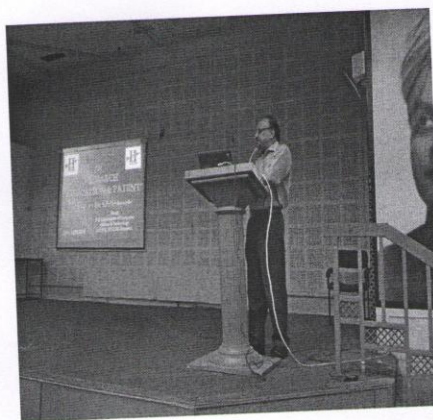

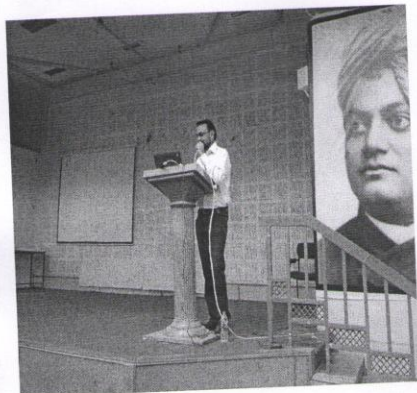

OBJECTIVE OF THE SEMINAR

The objective of seminar was to educate faculty members about the quality of research papers and registration of patents.

The seminar was organized on January 16, 2018 at 11.30 am in D.C.P.E. auditorium. Mr. Sachin Raut welcomed the dignitaries on the dais. Prof. Tomy Jose welcomed Dr. K.K. Debnath, (Principal, D.C.P.E.) with a bouquet. The Key speaker for the seminar Mr. S.P. Deshpande (Head, P.G. Department of Computer Science & Technology, H.V.P.M) was welcomed by Dr. Upadhyay with a bouquet. Dr. Debnath on this occasion appealed to all the faculty members to actively pursue research and remain abreast with the latest developments in the area of innovation.

Dr. Deshpande in his presentation gave valuable information about the importance of quality of research publication and how to pursue it. He explained in detail the procedure of registration of a patent.

The seminar concluded with a vote of thanks speech by Asst. Prof. Siddharth Ganvir.
