Subject:- Letter of Appreciation

Respected Sir/Madam,

We appreciate your graciousness for Conducting 10 Days Workshop on "Soft Skill Training" from 29th January, 2022 to 9th February 2022 for MCA, M.Sc, M.Voc. Courses.

This is to inform you that the training conducted was very helpful to our students and holds a good value. The guidance provided by trainers was excellent.

We also appreciate your sincere efforts, rich knowledge and great communication skill of your team. Our college remains in depth gratitude for this gesture and cherishes this association with a senior resource person of your stature.

We are highly thankful for the training that our students have received from your side.

Thanking you

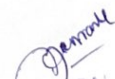

Yours faithfully,

Training and Placement Cell

Report of Bloomzen Info solutions and Sankey solutions Pvt.  
Ltd

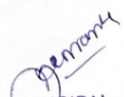

Date : 4 August 2022

Name of Company: Bloomzen Info solutions and Sankey solutions Pvt. Ltd

Training and Placement Cell of P.G. Department of Computer Science and Technology organized Seminar on Training & Placement opportunity in IT Companies on 4 August 2022.

The objective behind this training program was to make the students as industry ready professionals. This training program helped students to develop their communication skills, presentation skills, logical thinking and listening ability. The academic of institute makes the student technically very sound but the students are unable to think out of the box. A quality to think differently and innovatively is what most of the companies required. The MCA students benefitted by seminar and updated their knowledge about Aptitude, GD, and Resume writing. The MCA faculties gave their best support to make this event successful.

76  
Around 69 students participated in Seminar.

### Guest Lecture on Nutrition Diet

On 23-09-2022 a guest lecture on Nutrition Diet was organised by Science Department. Dr. Rasika Ranjanekar, RIMS Hospital, Amravati was the guest speaker of the program. The guest speaker directed the students toward the fact that a healthy lifestyle, nutritious diet, and necessary eating habits will lead to an outcome that is a healthy body. She was also enlightened about the various aspects of nutrition for health and hygiene. She also emphasized the need for a balanced diet, physical exercises, and hygiene etiquette that will together promote good health of a person. They learned how they are responsible for their body and they also learned "We are what we eat". They understood how to maintain oral hygiene and also how they can follow to lead a healthy life. After delivering her lecture she encouraged the students to clear their doubts. It was a very informative and interactive session where students learned a lot from the lecture and came up with beautiful reflections on the lecture.

## Report of Induction Program

Date : 21<sup>st</sup> November 2022 to 25<sup>th</sup> November 2022

### Main Objective of the Program:

Deeksharambh - Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members.

21<sup>st</sup> November 2022 (Day 01)

### Session I Inauguration Ceremony

Resource Person : Dr. Udhay Manjare,  
Principal, Degree College of Physical Education,  
Amravati

Principal, Dr. Udhay Manjare welcomed students to the institute and congratulated them for securing admission. He took upon his shoulders the greatest responsibility of introducing the age-old heritage of our society and the great history of our institution. He introduced Vision and Mission of our institute that focuses on providing quality education to all sectors of the society at an affordable cost.

Resource Person : Dr. S.P. Deshpande  
Head, P. G. Department of Computer Science &  
Technology, Amravati

Head Dr. S.P. Deshpande Welcome the students to College and aware them to the protocols to be followed in campus. He explains about the different systems established in the institute for the students. He shared with the students the achievement of the department. He highlighted the faculty as the strengths of the department as having tremendous experience and excellent educational qualifications.

**Resource Person** : **Dr. S. M. Yede**  
**Academic Incharge, P. G. Department of**  
**Computer Science & Technology,**  
**Amravati**

Academic Incharge Dr. S. M. Yede Welcome the students to College and familiar them to the advantage of autonomous college. Autonomous colleges are free to make use of the expertise of university departments and other institutions to frame their curricula, devise methods of teaching, examination and evaluation depending upon current trends and technology. The parent university will accept the methodologies of teaching, examination, evaluation and the course curriculum of its autonomous colleges. It will also help the colleges to develop their academic programmes, improve the faculty and to provide necessary guidance by participating in the deliberations of the different bodies of the colleges.

#### **Session II**

**Resource Person** : **Ms. Aarti Gatha**  
**Assistant Professor,**  
**P. G. Department of Computer Science**  
**& Technology**

**Ms. Aarti Gatha** addressed the students with Personality Development & Leadership Skills. Personality development includes activities that improve awareness and identity, develop talents and potential, build human capital and facilitate employability, enhance quality of life and contribute to the realization of dreams and aspirations. Leadership is a function of knowing yourself, having a vision that is well communicated, building trust among colleagues, and taking effective action to realize your own leadership potential.

22<sup>nd</sup> November 2022 (Day 02)

Session I

Resource Person : Mr. Yogesh Bhojane,  
CEO, Bhojane Academy

**Mr. Yogesh Bhojane** addressed the students; It was an important session for the students to enrich their employability skills. For a student to embrace true professional values. He explained on the requisite communication skills, body language and presentation format one needs to live by for a successful interview. They were taught on how to introduce themselves in an improved and professional manner. Students learnt the basic etiquettes followed in a group discussion as well. The students were asked to give an online examination to challenge their language skills.

Session II

Resource Person : Mr. Shrikant Pande  
CEO, Ctronics Infotech Pvt. Ltd

**Mr. Shrikant Pande** discussed in detail about the job prospects. His primary focus was on vitality dynamics in which he stated that present scenario demands skilled and a competent communicator to get the job opportunities. He inspired first year students to focus on people skill, enthusiasm, communication skill, logical reasoning and analytical ability, learnability, decision making, consistency and sound base in technical skills. He stated that students must learn to develop their technical competency and vitality dynamics in order to fulfil the demand of the market. He ended his sessions by suggesting few books to students to read which may change their life.

23<sup>rd</sup> November 2022 (Day 03)

Session I

**Resource Person : Dr. S.P. Deshpande**  
**Head, P. G. Department of Computer Science & Technology, Amravati**

In this Session Dr. S.P. Deshpande familiar students to history of Institution. It is a Voluntary, Social, Non-Political & Secular Institute, managed with democratic principles & practices. It is founded by Vaidya Brothers namely Shri. Ambadaspant & Shri. Anant Krishna Vaidya with their colleagues, freedom fighters on the broader principles of equality, fraternity & social justice. The work of the Mandal has been appreciated by many organizations and received honours in the form of awards and certificates from time to time.

Session II

**Resource Person : Mr. Bharat Sharma**  
**Civil Services Mentor**

**Mr. Bharat Sharma** energized the session with various career opportunities available for the students after completion of their graduation were also discussed extensively. The students were appraised on various jobs profiles such as a software developer, database administrator, computer hardware engineer, architect and data analyst and what it takes to be a successful professional and alternative options like post graduation, taking up GATE/CAT/GRE examination and pursuing higher studies, alternative career paths like being a blogger, content developer, online marketer, web designer etc. and even being a tech-based entrepreneur.

23<sup>rd</sup> November 2022 (Day 03)

Session I

**Resource Person** : **Dr. Vijay Pande**  
**Examination Controller,**  
**Degree College of Physical Education,**  
**Amravati**

Dr. Vijay Pande creates awareness about Human Values among learners. He forces on improvement on quality of life through education, Self-Exploration, self-Investigation, Self-Study. He also focuses on Inter Personal, Personal, Social and Environment Problems. At the end of session he sang a recitation poem to release stress among students and arrange game activity.

Session II

**Resource Person** : **Mr. Suhas Pachpande**  
**Assistant Professor, Department of**  
**Computer Science, Sant Gadge Baba**  
**Amravati University, Amravati**

**Mr. Suhas Pachpande** creates awareness among students about online learning platform offering massive open online courses, which are delivered through Coursera, Swyam, Udemy the world's largest online learning platforms.

He explained teaching which follows the format of lectures, videos, reading material and often there is feedback on the interactive forums. This encourages user participation and you can check and feedback on your fellow members' course work.

Some courses also allow for dynamic development of study material which could be useful if you are working on a project close to your interests.

25st November 2022 (Day 05)

Session I

**Resource Person : Mr. Rajesh Bhoyar**  
**Assistant Professor, Department of**  
**Computer Science, Sant Gadge Baba**  
**Amravati University, Amravati**

**Mr. Rajesh Bhoyar** creates awareness among learners about Google Tools. Google for Education gives teachers the freedom to spend more time personalizing the learning experience, and less time managing it. Students can learn 21st-century problem-solving and the skills they'll use in their future careers; with accessibility features that help every student do their best work.

He also explain Education edition of Google Apps. It is equipped with all necessary tools for communication, collaboration, documentation, and storage, sharing, learning and high security. Google Apps for Education includes Gmail, Calendar, Contacts, Drive (Docs, Sheets, Slides, Forms, and Drawing), Sites, Groups and many more.

Session II

**Resource Person : Mr. Suryakant Patil ,**  
**Assistant Professor, Degree College Of**  
**Physical Education, Amravati**

**Mr. Suryakant Patil** elaborated with the importance of yoga. Yoga is the hype of the moment in the fitness world. But fortunately, this ancient discipline is something more than just a passing trend. Its roots are really ancient, and the modern evolution that we know is certainly different from its original nature. It remains, though, the desire for many people to approach this meditative discipline so fascinating which can help us find that difficult balance and give us that physical and mental energy so important to deal with our daily routine.

Report of Alumni Talk

Date : 28<sup>th</sup> December 2022  
Name of Speaker : Dr. Anand Gavali

Training and Placement Cell of P.G. Department of Computer Science and Technology organized Alumni talk on Wednesday 28<sup>th</sup> December 2022.

The key speaker of the event was our alumni named **Dr. Anand Gavali**, working as Senior Data Scientist & Assistant Professor in Dutch Food Safety Authority, Wageningen, Netherlands.

The main objective behind conduction of talk was to make students aware about research on food safety. He spoke about the challenges that are being faced during research work and how to resolve them.

He also shared his experience while attending Seminar, Conferences and workshop.

Around 85 students participated in Alumni Talk. Introduction of the Guest was given by **Ms. Vaishnavi Kamlapure**. The vote of thanks was given by **Ms. Mayuri Kajalkar**.

**"REPORT"**  
FIVE DAYS NATIONAL LEVEL  
WORKSHOP

**"REPORT" FIVE DAYS NATIONAL LEVEL WORKSHOP**  
On  
**"APPLIED STATISTICS FOR RESEARCH IN  
INTERDISCIPLINARY STUDIES"**

Organized by  
Degree College of Physical Education  
Multi-faculty Autonomous College Amravati (M.S.)  
In Collaboration with  
Mahatma Gandhi Antarrashtriya Hindi Vishwavidyalaya, (Central University)  
Wardha

A very auspicious and astonishing opportunity has been to have this workshop on statistics at the Degree College of Physical Education, Multi-Faculty Autonomous College, Amravati (M.S.). The workshop itself was so intellectual and dividend of knowledge of all dignities from all over the nation. The workshop was dated 4th April to 8th April 2023. The workshop was named and designed under the MoU established between the Mahatma Gandhi Antarrashtriya Hindi Vishwavidyalaya, (Central University) Wardha (M.S) and Degree College of Physical Education, Amravati (M.S.). on 4th April at the opening ceremony the introductory speech was delivered by Organizing Secretary, Dr. L. M. Khandagale, HoD, Physical Education, DCPE, Amravati (M.S.). The inaugural ceremony was conducted by Assistant Prof. Ashish Hatekar. The inauguration ceremony was enlightened by the words of Professor Rajneesh Kumar Shukla, Vice-Chancellor, Mahatma Gandhi Antar-Rashtriya Hindi Vishwavidyalaya, (Central University) Wardha. The Chief Guest of the function was Padmashri P.A. Vaidya Hon'ble Gen. Sec. Shree Hanuman Vyayam Prasarak Mandal, Amravati, Guest of Honor, Dr. Prasad A. Wadegaonkar, Pro Vice-Chancellor of Sant Gadge Baba Amravati University, Amravati, Dr. M. S. Chendke, Secretary, Shree Hanuman Vyayam Prasarak Mandal, Amravati. The introduction of the guests was presented by Dr. Anita Gupta.

Organizers were pleased to welcome everyone to the National Level Workshop on Applied Statistics for Research in Interdisciplinary Studies in Amravati, Maharashtra. This event would bring together leading researchers, academicians, industry professionals, speakers, and experts on one platform. The informative discussions have highlighted solutions, achievements, trending topics, and future strategies. DCPE and MGAHV constantly aim to showcase techniques, skills, and the latest information in various fields such as physical education and sports, science, technology, environment, education, business, banking, finance, languages, history, and much more. It helped participants explore speaking opportunities and make important connections.

The workshop was held in the hope of acquiring the unparalleled knowledge of all the resource persons of the workshop and providing it to students. The advisory committee of the workshop consisted of Dr. S. P. Deshpande Principal and MoU Co-Ordinator, DCPE, Amravati, Dr. M. S. Chendke, Secretary, Shree HVPM, Amravati, Dr. U. N. Manjre, IQAC Co-Ordinator, DCPE, Amravati. Also, the organizing committee of the workshop consisted of the Programme Co-Ordinator, Dr. Aniket Anil Ambekar, MoU Co-Ordinator, Assistant Professor, School of Education, MGAHV, Wardha and Convener & Assistant Co-Ordinator,

*Dr. S. P. Deshpande*  
 PRINCIPAL  
 Degree College of Physical Education

Sh. Pushpak Khonde, Assistant Professor, Physical Education, DCPE, Amravati.

The participants were advised to bring their laptops to get a hand on the practical applicability of the different software used during the lectures. The very first Session of the Workshop was conducted after lunch here the resource person was Dr. Seema Datey, Assistant Professor, DCPE, Amravati. Here participants learned the basics of Statistics. Following the next and last session of the First day by Dr. Shilpi Kumari Assistant Professor, School of Education, MGAHV (A Central University), Wardha where participants learned the Advanced of Statistics.

### Some Basic Facts

- Statistics is a branch of knowledge which deals with the collection, organization, analysis and interpretation of data.
- Statistics is a science which deals with the collection, organization, analysis and interpretation of data.
- Statistics is a science which deals with the collection, organization, analysis and interpretation of data.
- Statistics is a science which deals with the collection, organization, analysis and interpretation of data.
- Statistics is a science which deals with the collection, organization, analysis and interpretation of data.

### Types of scales

Scale	Process	Data	Description	Inferential
Ratio	True zero	Parametric	Mean, SD, Pearson - r	F-test, ANOVA, ANCOVA
Interval	No true zero	Parametric	Mean, SD, Pearson - r	F-test, ANOVA, ANCOVA
Ordinal	Ranked in order	Nonparametric	Median, quartile deviation, chi-square, Spearman's rho	Mann-Whitney U-test, Wilcoxon
Nominal	Categories and counted	Nonparametric	Mode	Chi-square, sign

### Origin of Statistics

- The word statistics was first used by a German scholar Gottfried Achenwall in the middle of the 18th century.
- Science of statistics concerning the collection and use of data by the state.
- The word statistics comes from the Latin word "Status".
  - Italian word "Statistica"
  - German word "Statistik"
  - French word "Statistique"
- All means a political state and originally meant information useful to the state, such as information about, sizes of the population (human, animal, products, etc.) and armed forces.
- Early Origins: Interesting and illuminating to note that statistical knowledge and probability ideas were attributed to the kings and rulers mentioned in the great Indian epic, the Mahabharata.
  - As is evident from the "King Bhishma" warning to Arjuna his skill in numbers, estimates the number of leaves and the number of fruits on two great branches of a spreading tree.

### Catching the context....

#### Hypothesis

A hypothesis states your predictions about what your research will find. It is a tentative answer to your research question that has not yet been tested. For some research projects, you might have to write several hypotheses that address different aspects of your research question.

#### Hypothesis Testing

A Hypothesis testing is a statistical method that uses a sample data to evaluate a hypothesis about a population.

The live telecast of the workshop was conducted through the Zoom meeting where the link was provided to all the online participants. Having this workshop in the blended mode provided a scope of learning to online participants as well as offline participants.

The second day had an amazing kickstart with a sense of enthusiasm and zeal for learning among the students. The first and the second session lectures were delivered by Dr. Vishal Deshpande, Associate Professor, Physical Education, S.B.E.S. College of Science, Aurangabad (M.S.), where the participants learned applied statistics moreover the application of Statistics in our day-to-day life and how to interpret Statistics in the field of research. The first two sessions of day 2 of the workshop by Dr. Vishal Deshpande gave an idea to the participants of the application of statistics in the field of research which gave a presumption to the participants of the further coming lectures. The workshop entered its third and fourth sessions after the lunch break, which were taken by Dr. P. V. Ubale, Professor and Head, Department of Statistics, G.S. Science, Arts & Commerce College, Khamgaon

  
**PRINCIPAL**  
 Degree College of Physical Education  
 Amravati. (M. S.)

(M.S.). In those two lectures participants were taught about "Statistics: A Glory of Science" and "Testing of Hypothesis". As a beginner one must be aware of the significance of the knowledge they have, that's what participants witness in the third and fourth lectures of day two. On the other hand, the queries of the online participants were answered right after the lectures were completed.

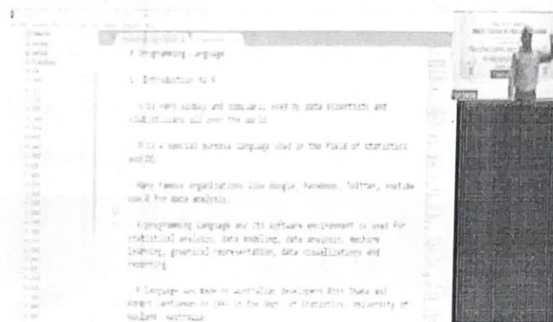

Moving on to Day-3 6th of April, workshop re-source person, Dr. Sagar Kuthe, Assistant Professor, Brijlal Biyani Science College, Amravati, (M.S.) on the "Practical Approach of Analysis with MS-Excel". Following the lunch break first two sessions concluded with a very enthusiastic indulgence of the participants for the lecture. After the lunch break workshop went aboard again with the same energy and enthusiasm among the participants. The resource person for the last two sessions was Professor Shireesh Pal Singh, Department of Education, MGAHV (A Central University), Wardha. The participants were introduced to a very enlightening and informative knowledge base "Impact Factor, Citation, and Peer-Reviewed Journal" which has its very own significance in the field of research. Impact factors and citations are a remarkably diverse part of the research. Throughout the lecture, participants had their queries regarding the respective topics which were further answered by the resource person. Day 3 successfully concluded with satisfactory feedback from the participants regarding the topics covered in the sessions throughout the day.

<h3>Correlation</h3> <ul style="list-style-type: none"> <li>Correlation analysis deals with the association between two or more variables</li> <li>It is a common tool for describing simple relationships without making a statement about cause and effect</li> <li>The degree of relationship between the variables under consideration is measured through the correlation analysis</li> </ul>	<h3>Data Analysis</h3> <p>Dr. Rajeev Choudhary Professor in Physical Education Dean Students' Welfare Head, School of Studies in Law Devi, Faculty of Physical Education Pt. Degree College of Physical Education  
Amravati, (M. S.)

ishankar Shukla University, Amanaka, Raipur, (C.G.). The first session of workshop day 4 was entitled to Dr. Omji Gupta referring to the topic "Statistics, "Correlation and Regression Analysis" which is in itself an emerging attraction in the field of research. Following the rest of the sessions by Dr. Rajeev Chaudhary; the topic- Data Analysis using SPSS. Both lecturers successfully delivered their lectures on their respective areas of interest concluding day 4 by providing the answers to all the participants offline and online as well.

The final and most important day of the work-shop; was day 5. Till day-5 the enthusiasm and zeal of participants to learn statistics brought them straight through 12 sessions so far remaining with the 2 more sessions. On the final day of the workshop, Sh. Shrikant W. Pande, Director, Cronics Infotech, Amravati (M.S.). Where he continued with the first two sessions of day-3 with the topic "Analysis of Data Using R-program-ming". R-programming is a programming language through which statistical analysis is done these days. This was a great opportunity for all the participants to witness such an amazing and new technology for statistical analysis in the field of research.

For the closing ceremony of the workshop President, Prof. Dr. S.P. Deshpande, Principal, DCPE, Amravati, Guest of Honor, Dr. Gopal Krishan Thakur Dean & Head, School of Education, MGAHV, Wardha and Special Guest Prof. Dr. Uday Manjre, IQAC Coordinator was present. Also, on the dice the Organizing Secretary, Dr. L. M. Khandagale, Workshop Co-Ordinator, and Dr. Aniket Ambekar were present. The ceremony was hosted by Dr. M.N. Burnase. The ceremony began with the welcome of the delegates. Dr. L.M. Khandagale presented the report of the

 Amravati. (M. S.)

workshop. Thereafter feedback was given by one of the online participants Ms. Kiran Kumari, Research Scholar, Sports Biomechanics, Lakshmbai National Institute of Physical Education, Gwalior, and from offline participants, Mr. Sumit R. Amlekar, Research Scholar, DCPE, Amravati on the work-shop. Dr. Gopal Krishan Thakur also gave a short speech at the workshop where he mentioned the efforts taken by the organizing committee for making this workshop successful. He also explained the significance of human calculations as compared to artificial intelligence and software. Dr. S. P. Deshpande also presented his views on the workshop. The closing ceremony was concluded with a Vote of thanks given to Dr. Anita Gupta.

### Report of Alumni Talk

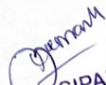

Date : 29<sup>th</sup> April 2023  
Name of Speaker : Mr. Manoj Gajkeshwar

Training and Placement Cell of P.G. Department of Computer Science and Technology organized Alumni talk on Saturday 29<sup>th</sup> April 2023.

The key speaker of the event was our alumni named Mr. Manoj Gajkeshwar, working as Global Industry Director, at Dassault Systems.

The main objective behind conduction of talk was to make students aware about research on Supply Chain & Manufacturing Operations. He spoke about the challenges that are being faced during his work and how to resolve them.

Around 85 students participated in Alumni Talk. Introduction of the Guest was given by Mrs. M. M. Mohod. The vote of thanks was given by Ms. Deepa Vaidya.

Report of Workshop on "Employability Skills" under  
"LifeSkills" program

Date : 2 May 2022 To 12 May 2023  
Name of Institute : Rubicon Skill Development Pvt. Ltd

Training and Placement Cell of P.G. Department of Computer Science and Technology organized "Employability Skills" under "LifeSkills" program in collaboration Rubicon Skill Development Pvt. Ltd from 2 May 2022 To 12 May 2023.

The main objectives of workshop are

- To learn Industry expectations from fresher's
- To know more about the trainer & candidates
- To identify their Strength/Weakness/Opportunities/ Threat
- To learn most commonly used words in corporates
- To eliminate stage fear
- To articulate your thoughts through Power point presentation
- To learn E-mail writing skills
- Dress to impress/ Proximity/ Personal hygiene
- To learn positive body language
- To handle telephonic round of interview/ To learn call mechanics
- To access candidates' public speaking skills
- To perform well during interviews

Around 124 students participated in Workshop.

**NOTICE**

**Training and Placement Cell**

All the Students are hereby informed that **Training and Placement Cell** of our college is going to organize 30 hrs. Online training Session on Employability Skills under "LifeSkills" Programmes in collaboration with Rubicon Skills Development Private Ltd.

Registration Link: <https://forms.gle/znPW8ypPanKbueyi7>

In Life Skills training, we will be covering the below topics:

1. Organizational Structure
2. Public Speaking
3. Presentation Skills
4. E-mail Etiquette
5. Grooming
6. Group Discussion
7. Personal Interview
8. Assessment will be conducted on Group Discussion and Personal Interview.

### **WEBINAR ON DESCRIPTIVE STATISTICS WITH R SOFTWARE**

Dept. of Comp. Science organised a webinar on 8/02/2021 on "Descriptive Statistics With R Software" by Dr. Jayashree Parag Muley H.O.D of Statistics Department, Pratibha College Of Commerce and Computer Studies, Pune for all students and teachers of different Universities. 300 student and staff were registered for this webinar. E-Certificate also provided for all registered candidates after submitting Feedback form.

### **WEBINAR ON THE ROBOTICS AND CLOUD TECHNOLOGY**

On 10<sup>th</sup> December 2020, Dept. of Robotics & Cloud Technology, RTMNU in association with Degree College of Physical Education, HVPM, Department of computer Science had organized a one day webinar on "Trends and Opportunities in cloud technology and information Security" for the students and faculties. The Eminent speaker for the lecture was Mr. Anil Tatode, Training Officer, Dept. of Robotics & Cloud Technology, RTMNU. The registration link for the webinar was <http://bitly.ws/akfs>. The purpose of this webinar was to introduce cloud computing, revenue forecast-India, global, opportunities in cloud technology, employment opportunities in India. At the end Webinar HOD of comp. Dept Prof. D.P.Vaidya, ended the webinar with warm thanks.

### **"Jobs in Software Engineering"**

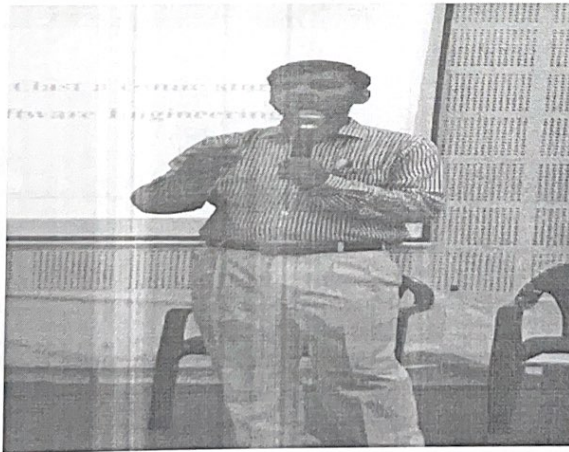

On 11<sup>th</sup> August 2018, Shree H.V.P.Mandal's Degree College of Physical Education had organized a guest lecture on "Jobs in Software Engineering" for the students of B.Sc. III, B.Sc. II & BCA II in the Auditorium hall, DCPE. The speaker for the lecture was Prof.R.D.Bhoyar, who is presently working as an Assistant Professor in P.G.Department of Computer Science, SGBAU.

  
**PRINCIPAL**  
Degree College of Physical Education  
Amravati. (M. S.)

Mr. Siddharth Ganvir, Assistant Professor, DCPE welcomed & introduced the speaker to the students. Course In –Charges of B.C.A., B.Sc., B.B.A. was prominently present on the dais with the guest. Asstt.Prof.A.P.Chendke felicitate R.D.Bhoyar sir with a bouquet

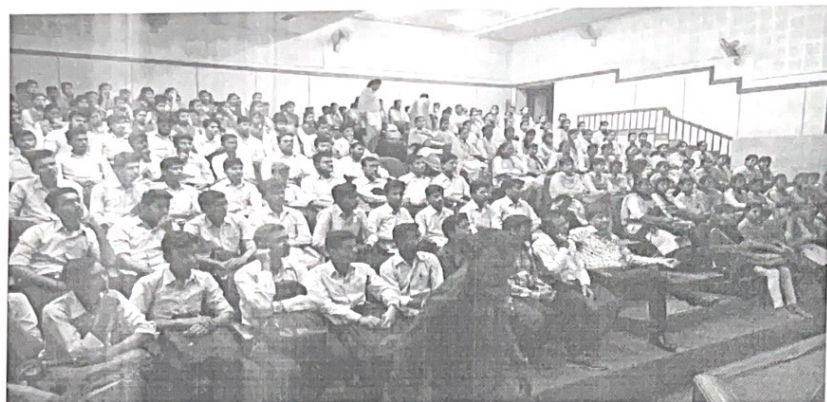

In his lecture, Mr.Bhoyar discussed the various aspects & opportunities in software engineering.

*[Signature]*  
PRINCIPAL  
Degree College of Physical Education

At the end of the session, Assist Prof.A.P.Chendke thanked Bhojar sir for taking time out from his busy schedule & letting students aware about job opportunities in Software fields. Also he thanked all the students for listening the session carefully

### **Guest Lecture on Cloud Technology and Information Security**

**Date of Guest Lecture: 05/01/2019**

**Venue: Auditorium hall DCPE**

**Resource person: Mr. Anil Tatode**

With the changing scenario in the world , it is very essential to get the knowledge of cloud technology and Network Security. Cloud computing is one of the most important aspect of

*(Signature)*  
**PRINCIPAL**  
 Degree College of Physical Education  
 Amravati. ( M. S.)

research area. Since our syllabi focuses on current trends in the market so that it will help our students for placement, the department of science organized a guest lecture on Cloud Technology and Information Security. The training and placement cell of department held the guest lecture in this context on 5th January 2019. The guest lecture was organized for B. Sc., BCA final year students. The speaker for the lecture was Mr. Anil Tatode.

The guest lecture was conducted by Prof. S.K. Ganvir. Principal Dr. K.K. Debnath inaugurated the guest lecture. In his inaugural speech he pointed out importance of learning the current technology. He also appreciated initiative taken by the science department to open this area to improve the placement of students in this college. HOD of Science department Miss Deepa Vaidya felicitated the guest. Incharges of B. Sc. And BCA courses also present for the lecture.

In the first session, resource person Mr. Anil Tatode explored the importance of Cloud technology. He told various opportunities in Cloud technology. He explained the use of Cloud technology in IT sector. How to be expert in the concerned area. The session was very well received by the students of B. Sc., BCA final year. Students asked their queries to Mr. Tatode.

In the second session Mr. Anil Tatode told the importance of Information Security. How IT sector is facing the threats regarding information security. He told the students to expertise in Network Security to have a bright future. The lecture ended with the vote of thanks by Prof. K.R. Patil.

## 2. Guest Lecture on "Opportunities for Career Development in Computer Science" By Prof. R. D. Bhoyar

Organized By:- B.Sc.Department

Date: -22-04-2022

Activity In-Charge: -1)Prof.P. R Landg

2)Prof. S. D. Ninghot

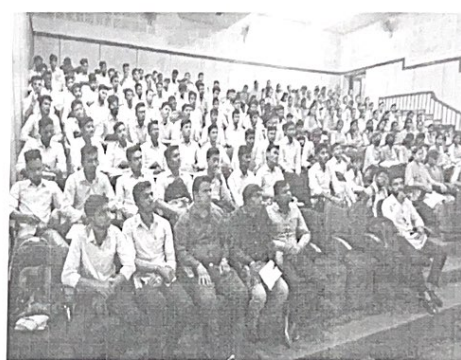

To be adaptive during these trying times, Degree College of Physical Education, HVPMDepartment of Computer Science organized a Guest Lecture. The topic was mainly focused on **Opportunities for Career Development in Computer Science by Prof.R.D.Bhoyar** for students studying in the first, second, and third year of B.Sc Computer Science. Similarly, the Lecture was actively participated by staff members of B.Sc & BCA. The above guest lecture was conducted on 22-04-2022 at 10:00 am and continued until 11:30.

The above event was Conducted by Speaker-Prof. R.D.Bhoyar (Post Graduation Department Computer Science SGBAU), Principal - Dr. A. P. Upadhyay DCPEH.V.P.M., B.Sc.Course Incharge-Dr.S.S.Pande, HOD & Course Incharge of Commerce-Dr. S. B. Kale. Above chaired people were felicitated by college staff by offering Rose plant saplings.

Prof. Dhiraj R. Bijwar introduced the Guest Speaker to his qualification, specialization fields, and achievements in the field of Computer Science. Further Guest Speaker also informed the students about the various career opportunities in programming and software development, and also guided the student's scope of Computer science in Research programming, IT Consulting, Teaching, and various certification courses which will help the students to engage themselves in creating job securities in various fields. The next important part of the Computer Science field is Networking & telecommunications, database management, and Hardware Management. He also explained the need for Cyber Security in the field of the Cyber Cell Department, Banking Department, etc. Further, He also elucidated various career opportunities in web designing, Mobile App Development, Gaming, Computer Designing, Animation, Editing, Graphics, Multimedia, etc.

After delivering his lecture he encouraged students to clear their doubts and clarified their doubts. It was a very formative and interactive session where students came to know about their career choices. It was also a great initiative taken by the faculties of the B.Sc Department for conducting this wonderful session of knowledge sharing and gaining. At last the above program was concluded, prof. S.D. Ninghot with a vote of thanks and the program was entirely anchored by Prof.A.P. Panzade.

3. Guest Lecture on "Financial Literacy" By Mr. Gaurav Chawla,  
S. V. Wealth Partner

Organized By:- Department of Commerce & Administration

Date: -01-07-2021

Activity In-Charge: -1) Dr. Kale

On 01<sup>st</sup> July 2022, the Department of Commerce & Administration, H.V.P. Mandal's Degree College of Physical Education organized an online Guest Lecture on "**Financial Literacy**" for the students of BBA & M.Com with the help of the Zoom app. Mr. Gaurav Chawla was the speaker for the session which was held on the Zoom app at 1:00 pm. All students of Commerce participated in the online session of the Financial Literacy lecture enthusiastically. The lecture was started with a little bit of the speaker and conducted gracefully with so many informative topics like the current financial situation, investment alternatives, best investments according to age & budget, impact of COVID-19 on current finances, etc by Mr. Gaurav Chawla. 76 students received certificates for participating in the online session on Financial Literacy. It was a very informative lecture for the betterment of the students.

### THREE DAYS INTERNATIONAL WORKSHOP ON SPORTS BIOMECHANICS

The Three-day International Workshop on Sports Biomechanics was organised by Department of Physical Education of Degree College of Physical Education, Multi-Faculty Autonomous College (Amravati. M.S.) from 27<sup>th</sup> to 29<sup>th</sup> April 2022. This Workshop was designed to enhance the outlook of the students regarding the aspects and dimensions of biomechanics in the field of sports and sports. This workshop helped the students in numerous ways to understand the different aspects of **Sports Biomechanics**.

The objective of the workshop was to understand the role of Biomechanics in the field of sports. To understand the role of biomechanics in movement analysis. To understand the role of Biomechanics in movement structure. To conclude techniques and develop new ones to enhance sports performance. To explore the new dimensions in sports world. To create awareness about Sports Biomechanics.

For this workshop the patrons were Hon'ble Padmashree P.A. Vaidya, General Secretary, Shree H.V.P. Mandal, Amravati (M.S.), Hon'ble Dr. S. H. Deshpande, Director & Treasurer, Shree H.V.P. Mandal, Amravati (M.S.), Hon'ble Dr. A.P. Upadhyay, Principal, Degree College of Physical Education, Amravati (M.S.)

On 27<sup>th</sup> April 2022, the workshop was compered by the Workshop president DR. A.P. upadhyay his presidential speech and words of wisdom.

*Demoli*  
PRINCIPAL  
Degree College of Physical Education  
Amravati. (M. S.)

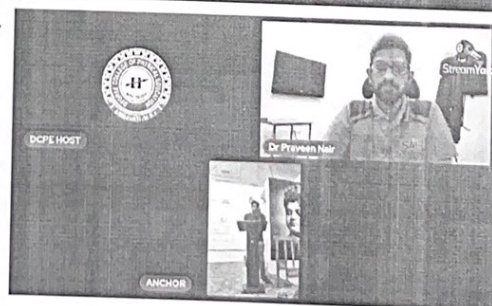

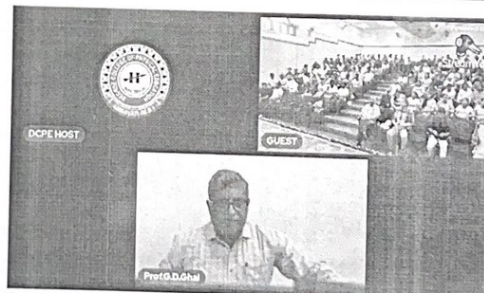

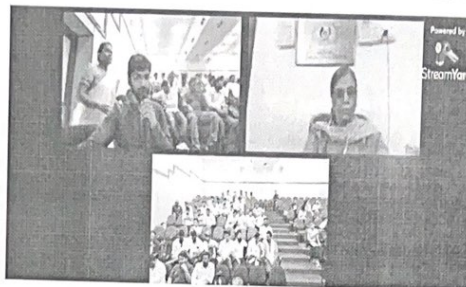

The workshop was inaugurated by the workshop Chief guest, Prof. Vivek Pandey, Vice chancellor, L.N.I.P.E, Gwalior, Madhya Pradesh. Here the workshop entered into its first session where the first guest speaker in person DR. Shatrunjay Kote, Principal, M.S.M. College of Physical Education, Where students learnt the dimension of Movement analysis and Movement structure.

Similarly, the second session went with same energy and same enthusiasm of learning by DR. Shatrunjay Kote himself. Where we learnt the Laws of biomechanics.

First day concluded with the third session where the guest speaker was DR. Tanuja Raut, Hod, department of physical education, S.G.B.A.U, Amravati. In this session participants learnt the new trends and modification in field of athletics. How over the times techniques have evolved for the enhancement of performance through analysing every movement throughout the years.

As the day-1 concluded with these three sessions participants witnessed so many unique and impactful knowledge portals to the world of Applied biomechanics in Sports.

Day-2 i.e., 28<sup>th</sup> April, 2022 initiated with the 4<sup>th</sup> session by Prof. G.D. Ghai, Controller of Examination, L.N.I.P.E., Gwalior, Madhya Pradesh. In this session he spoke about basic concepts of Biomechanics in our day-to-day life to make a better understanding of Biomechanics in human movement.

*Dr. Shatrunjay Kote*  
**PRINCIPAL**  
 Degree College of Physical Education  
 Amravati. (M. S.)

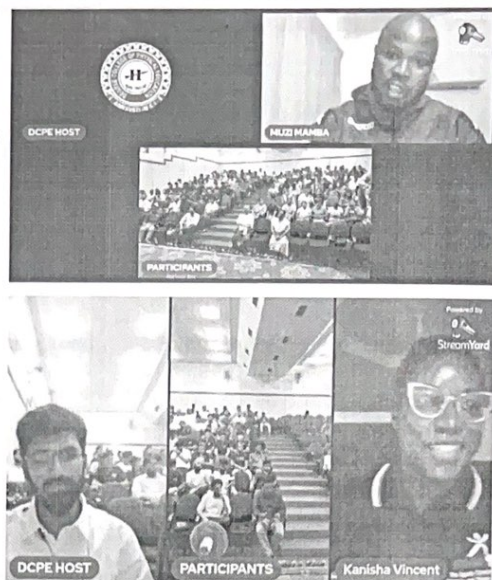

Later-on day2 headed ahead to its 5<sup>th</sup> Session which was presented by DR. Pravin Nair, Scientific officer, S.A.I. Bangalore, Kamataka. In this session he spoke about certain Software systems used in the field of Sports Biomechanics. It was a great opportunity for most our participants to have an introduction to such tremendous and useful technical facilities that helped participants for the performance enhancement.

For day-2, 6<sup>th</sup> session the resource was Prof. Ikram Hussain, Department of Sports Biomechanics, Aligarh Muslim University, Aligarh, Uttar Pradesh. In this session we discussed about Concepts of Biomechanics in Physical education.

It was really a moment of gratitude for all of us where two international entities on the last day of the international workshop as the resource person. In the seventh session the resource person was Mr. Muzi Mamba, Lecturer, Physical education & sports, Ngwane Teachers College, Swaziland. Where participants learnt about Movement analysis.

In the very last session of our three days international workshop on Sports Biomechanics, the resource person was Ms. Kanisha Vincent, Performance analysis and Testing Officer, Elite Athlete Wellbeing Unit, Trinidad and Tobago. Having this Session, participants again had an exposure to technical dimensions in the world of Sports Biomechanics. Participants learned about some Software and applications that makes learning Biomechanical aspects of Sports more efficient and impactful.

After last two Sessions of our International Workshop on Sports Biomechanics there was the Closing Ceremony where president of the function was Dr. Ajay Pal Upadhyay. At this moment Dr. Madhuri Chendke, Dr. S.P. Deshpande, Dr. L.M. Khandagale and Dr. Anita Gupta were present. Dr. L.M. Khandagale presented the report at of the whole workshop. Dr. Ajay Pal Upadhyay gave the presidential speech and the vote of thanks was presented by Asst. Prof. Mayur Kumar. In total 246 participants were registered for this workshop and the certificates were issued in an online mode to everyone.
