PROSPECTUS OF FACULTY OF SCIENCE, COMMERCE & ADMINISTRATION
Degree College of Physical Education,
Multi-Faculty Autonomous College, Amravati (Maharashtra)

1. INTRODUCTION

Shree Hanuman Vyayam Prasarak Mandal, Amravati is working in the field of Physical Education and recreation for the last 105 years. The Mandal was registered under section 3 of the Societies Registration Act 1860 (Act. No. XXI of 1860) on 14-10- 1929 and under Bombay Public Trust Act 1950 (Bombay XXIX of 1950) on 28-05-1963.

Shree Hanuman Vyayam Prasarak Mandal, Amravati, came into existence as small club called “Hanuman Club” in the year 1914. The ‘Club’ was founded by two Vaidya brothers namely Anant Krishna and Ambadas Krishna Vaidya. They were inspired by the spirit of patriotism which was instilled in them by the leading personalities of Vidarbha Region in the freedom movement named Veer Vamanrao Joshi who was a close associate of Lokmanya Tilak and also had linkages with the contemporary revolutionaries.

The Mandal had witnessed the visit of several luminaries like Rashtrapita Mahatma Gandhi, Netaji Subhash chandra Bose, Pt. Madan Mohan Malviya, Dr. Rajendra Prasad, Pt. Motilal Nehru, Lala Lajpat Rai, N. C. Kelkar, Martyr Shivram Hari Rajguru etc. The Main Building of the Mandal has been inaugurated by Mahatma Gandhiji on 21st Dec 1926.

At the time of freedom movement without giving a shadow of doubt to the rulers about involvement of its members in freedom movement, the founders and their associates had also geared up programme of Indian traditional physical activities by running regular classes, organizing Summer camps of these activities for the youths, conducting demonstration-cum propoganda tours in various States, deputing volunteers for training of youths at different places. With the initiation of all these activities the Mandal became popularly known institution all over India. Another fruitful project the Mandal undertook in the year 1926-27 was the formation of ‘Physical Culture Information Bureau’. This Bureau had collected information from various leading countries about the type of movement in physical education and sports going on Throughout the World. This information had inspired the founders to depute their associates in different countries to study their traditional physical culture. Accordingly, members were sent to Germany, Japan, and Austria during the period 1928 to 1933 for higher studies.

- **Institutional Awards:**

The Mandal is recipient of awards like:

1. The Mandal is the recipient of prestigious "**Aadivasi Seva Sanstha Puraskar - 1997**" of Maharashtra Government for its work in tribal regions.
2. The "**State Government Award-2002**" for educational institutions. The work of the Mandal has been appreciated by many organizations and received honors in the form of awards and certificates from time to time.
3. Mandal is also the recipients of "**Paryavaran Puraskar 2014**" on 23 March 2015 bestowed by Sant Gadge Baba Amravati University, Amravati.

- **National & International Membership of MoU**

2. DEPARTMENT OF SCIENCE

We have reputation for teaching and research, so it stands to reason that our students go onto find employment in challenging and fulfilling careers. Department aims to improve the employability of computing graduates through curriculum innovations in group and project work. This includes a state-of-art learning laboratory where projects can be conducted in collaboration with students. We promote learning based on friendly and informal relations between students and staff. We have a long tradition of welcoming students from different backgrounds. Ours is the only institution offering UG Programmes like B.C.A., B.Sc. (Comp. Sci.), M.Sc. (Comp. Sci.) in faculty stream of Science and B.B.A., M.Com. (Eng. Medium) in faculty of Commerce which are under the Autonomous status of the College in Amravati. The BCA programme is recognized by AICTE, New Delhi.

The Autonomous status helps us to update our syllabus up to the mark as per the requirement of the industry standards. This helps our students to explore the new courses used in the industry and thus helps them for getting good placements in reputed Companies or for further studies. The College has well equipped sports facilities which are available for our students to keep fit as well as participate in various sports tournaments.

Programme structure for the programme BCA, BSc (Computer Science) & MSc (Computer Science) and curriculum scheme is according to National Education Policy 2020 from session 2023-2024.

- **Objectives of the Department:**

1. To build the department as a centre of excellence for imparting high quality Science & Technical education at the undergraduate and post graduate level thus empowering students to meet the challenges of the competitive, global environment.

- **Bachelor of Computer Science (B.Sc.Comp.Sci.):**

Nowaday, Software Companies are looking for B.Sc. graduates too, for software testinand software development. Students are having good career opportunities after completion of this Programme. Also, the core courses like Computer Science, Electronics, and Statistics allowsstudents to do specialization in respective streams at PG level.

Computer Science aims to provide you with a balance of knowledge and skills to design and implement software and systems to a professional standard. It is designed to equip a student for a career at the forefront of innovation in software technologies. This programme will provide you with a thorough understanding of the principles and concepts underpinning computing systems. This will enable you to analyze and resolve issues with today’s software systems, and provide a foundation in designing the next generation of computational systems. Programme structure & Curriculum scheme is according to National Education Policy 2020 from session 2023-2024.

- **Master of Computer Science (M.Sc.Comp.Sci.):**

With the world now becoming a global village and more and more people embracing the power and importance of computers in the 21st century digital age, the M.Sc. Computer Science Programme has huge career prospects. The main objective of M.Sc. Computer Science is to hone the skills of computer science enthusiasts in the various thrust areas of the field and provides them with the perfect amalgamation of theory as well as practical knowledge. Since it's a Programme at post-graduation level, it takes forward the knowledge gained by the students at the undergraduate level and provides them an advanced level of learning and understanding on the course. M.Sc. Programme is having Choice Based Credit System Scheme and is designed to create highly skilled software professional for industry and the society. The students will be able to learn the recent computer technologies. The Programme will also help students to prepare for exams like: SET, NET, etc. by providing them core courses in Computational field. Also the students will have background of research-oriented subjects. The Programme will develop analytical, presentation, strategy formulation and personality development skills among the students, through which the students can shape their career in computer science and its related applied technology, research and development.
