PROSPECTUS OF FACULTY OF SCIENCE & COMMERCE

Degree College of Physical Education, Multi-Faculty Autonomous College, Amravati (Maharashtra)

1.INTRODUCTION

1.1 The Management Trust Shree H. V. P. Mandal, Amravati:

Shree Hanuman VyayamPrasarakMandal, Amravati is working in the field of Physical Education and recreation for the last 105 years. The Mandal was registered under section 3 of the Societies Registration Act 1860 (Act. No.XXI of 1860) on 14-10-1929 and under Bombay Public Trust Act 1950 (Bombay XXIX of 1950) on 28-05-1963.

Shree Hanuman VyayamPrasarakMandal, Amravati, came into existence as small club called "Hanuman Club" in the year 1914. The 'Club' was founded by two Vaidya brothers namely Anant Krishna and Ambadas Krishna Vaidya. They were inspired by the spirit of patriotism which was instilled in them by the leading personalities of Vidarbha Region in the freedom movement named Veer Vamanrao Joshi who was a close associate of LokmanyaTilak and also had linkages with the contemporary revolutionaries.

The Mandal had witnessed the visit of several luminaries like Rashtrapita Mahatma Gandhi, NetajiSubhashchandra Bose, Pt. Madan Mohan Malviya, Dr. Rajendra Prasad, Pt. Motilal Nehru, LalaLajpatRai, N. C. Kelkar, Martyr ShivramHariRajguru etc. The Main Building of the Mandal has been inaugurated by Mahatma Gandhiji on 21st Dec 1926.

At the time of freedom movement without giving a shadow of doubt to the rulers about involvement of its members in freedom movement, the founders and their associates had also geared up programme of Indian traditional physical activities by running regular classes, organizing Summer camps of these activities for the youths, conducting demonstration-cum propaganda tours in various States, deputing volunteers for training of youths at different places. With the initiation of all these activities the Mandal became popularly known institution all over India. Another fruitful project the Mandal undertook in the year 1926-27 was the formation of 'Physical Culture Information Bureau'. This Bureau had collected information from various leading countries about the type of movement in physical education and sports going on throughout the World. This information had inspired the founders to depute their associates in different countries to study their traditional physical culture. Accordingly members were sent to Germany, Japan, and Austria during the period 1928 to 1933 for higher studies. The Mandal has been successful in developing Indian system of exercise and games on modern scientific line and as a result has earned great popularity for them in the country and abroad. This idea was of the founder member ShriAmbadaspantVaidya of studying traditional and modern form of physical culture of India & various other countries. The object was to establish "Cosmopolitan University of Physical Culture", where traditional physical culture of different countries would be studied scientifically and it was the founder member's dream to evolve universally accepted system of physical culture by way of selecting positive elements and principles from amongst the traditional systems of various countries. This high level planning of the Mandal was very well reflected in the printed report of the Mandal for the year 1932.

Till now the Mandal had organized its tours abroad, since the year 1936. The countries like Japan, Russia, Finland, Argentina, Brazil, U.K., U.S.A., Germany, Turkey, Iran, Iraq, France, Sweden, Switzerland, Denmark, Italy, Lithuania, Poland etc., were visited and display of our traditional activities was presented in about more than 50 cities abroad. At the time of Olympic Games in Germany in 1936, the Mandal had unique honor of presenting its display in the Olympic Gymnastic Stadium on the opening day of the games. The Mandal has a long history of its international contacts, activities, endeavor and achievements. Our speakers had presented papers and delivered lectures before the international audience at many international events.

With the dawn of Independence of India, the focal point of the Mandal was shifted to implementing qualitative teacher training programme in physical education. In the year 1947-48, the Mandal started an institute, named Indian Institute for Diploma in Physical Culture and Recreation which was subsequently recognized by the then Central Province Berar Govt. It had enjoyed Autonomous Status. The one year post-matriculate Diploma in Physical Culture and Recreation awarded to the trainees by this Institute was duly recognized by the State Govt. for appointment as physical education teachers in schools and colleges. With the changing policy of Maharashtra Government, the said course was subsequently changed into Certificate course in Physical Education from the year 1959-60.

As it is stated above, the institute started in the year 1947 had Autonomous Status, the post matriculation certificate of "VyayamVisharad" awarded to the student by Mandal had also enjoyed recognition of State Governments of Madhya Pradesh, Rajasthan, Maharashtra, Uttar Pradesh, Haryana etc. for appointment as teachers in physical education. Thus, the Mandal and its constituent college / institute has unique honor of receiving recognition of various State Governments and the Diploma or Certificate awarded by the Mandal and its institute / college was also duly recognized by Universities, State Governments and Secondary School Certificate Boards.

Mandal organized Global Conference on Traditional Physical Cultures, Sports and Games on 15-17 Jan 2014. The patronages were provided for the conference by international organizations like UNESCO, TAFISA, ISHPES, ICSSPE, IAPESGW, ITSGA, FIEP.
